Thank you for your interest in Mudcollege Farm's Community-supported agriculture (CSA) program! By committing to a weekly or bi-weekly selection of our organic produce and pasture-raised non-gmo non-soy fed eggs you play a crucial role in sustainable food systems, environmental stewardship, and supporting local economies.

In a nutshell

cost: $ 240
includes 16 weeks of produce and eggs – from end to beginning of Farmers Market in Gettysburg "vacation weeks" lower your price by $15 per week. This year CSA "holidays" (no CSA) will occur the weeks of Thanksgiving and Christmas (Fri 11/27, Sat 11/28, Fri 12/25, Sat 12/26)

If you're a new customer, be sure to let us know your email address so we can stay in touch.

How does this work?

Customers buy "shares" of Mudcollege Farm's harvest in advance and then receive a weekly portion of the crops and eggs as we harvest them, throughout the season. The amount of produce and eggs will be greater than or equal to $15/week. Please bring last week's bag or another labeled bag to your pickup site (boxes are also ok at the farm), so that we can repack it for the following week.

Share descriptions

We load up a reusable tote bag/box of fresh, certified organic produce for you to pick up (if you forget we will provide a bag).

A sample fall/winter/spring share:

- 1 bell pepper (certified organic)
- 1 bag of lettuce mix (cerfified organic)
- 1 head of garlic (certified organic)
- 1 butternut squash (certified organic)
- 1/2 dozen non-GMO fed pastured brown eggs

We'll be supplementing with produce from our friends when it's available and our own production is slow, such as mushrooms from Charming Meadow (Gettysburg). We're also considering adding bread from Low Carb Avenue (a baker at the Adams County Farmers Market).

Pick up info

There are two pickup locations/days:

- Fridays at St James Church (109 York St, Gettysburg, PA) from 2:30-5p. This requires a special keycard, and is more difficult to accommodate new CSA members.
- Saturdays 10a-12p at our regular popup markets (680 King Rd Gettysburg, PA 17325) or anytime after from our self serve walk-in cooler

Pickup dates are a bit sporadic – weekly, bi-weekly, and finally only eggs when it's too cold to even grow in our greenhouse – see schedule below.

Frequently Asked Questions

Q: **How do I sign up**
A: You can email farmer@mudcollege.com – I'll send you an invoice that you can pay by check, or other method. I'll need to know your name, email, number of vacation days, and pickup location/day. You can also print the form below and mail it with your check, or give it to me in person.

Q: **What can I do if I can no longer continue?**
A: You may transfer your share to another person at your discretion. Just let us know, and they will be able to let us know their desired pickup place. We can also facilitate the donation of your share to a household in need.

Q: **What about bags and containers?**
A: It's great if you can provide a bag, we will refill this for your share. You can return it at the location where you pick up, and we will fill it for the following week. If we don't have a bag for your (or can't easily find it) we will fill up a paper bag – no prob. We also try to reuse clean containers and egg cartons, which you can return to use.
